

**REMARKS**

In the last Office Action, the Examiner indicated that all the pending claims, except claims 37 and 38 were allowable. By this amendment, Applicants have canceled claims 37 and 38, thus putting this case in condition for allowance.

Applicants thus respectfully request that this Amendment under 37 C.F.R. § 1.116 be entered by the Examiner, as it places the remaining claims 21-36, 39 and 40 in condition for allowance. Applicants submit that this amendments does not raise new issues or necessitate the undertaking of any additional search of the art by the Examiner, since all of the elements and their relationships claimed were either earlier claimed or inherent in the claims as examined. Therefore, this Amendment should allow for immediate action by the Examiner.

Please grant any extensions of time required to enter this response and charge any additional required fees to our deposit account 06-0916.

Respectfully submitted,
